Hurricane Sandy Relief Effort

Our thought and prayers go out to all those affected either directly or indirectly in this natural disaster. While the disaster has ended, the road to recovery is a long one. We would like to donate to the ongoing relief efforts. But we need your help.

Starting on November 15th 'til December 31st we will donate **\$25** to the American Red Cross for every [Zoom](#) Teeth Whitening procedure performed for you or your referral(s).

Let's say you have been thinking about whitening your smile. What better time than now? Same goes for all your referrals. We already offer Zoom Teeth Whitening at a great price compared to others. We will keep this same great pricing for this effort. Let's help people who need our help, and look and feel better doing it too.
